CALL FOR PAPERS

Lupane State University
Building Communities through Knowledge

Venue: Lupane Main Campus

Date: 9 - 10 September 2024

Theme: Transforming rural learning ecologies for sustainable development.

Lupane State University hosts a conference that provides a forum for debating issues that impact education in rural ecologies to make rural education more appealing hence contributing to community and economic development. Participation in this conference is invited from academics and/or scholars in the field of education, and other stakeholders in Higher education institutions, Government Departments, Non-governmental organizations, and students engaged in studies in higher education institutions. This is your opportunity to network and share your insights, research findings, and innovative practices in rural education practices.

Sub-Themes

1. Teaching and learning
2. IKS and sustainable education.
3. Artificial Intelligence in education.
4. Curriculum and sustainable rural development.
5. Gender in Education
