

Lupane State University

Building Communities through Knowledge

NOTICE TO ALL STUDENTS

MEASURES TO SAFEGUARD CITIZENS/STUDENTS FROM SPREADING OR CONTRACTING COVID-19 DURING THE EASTER

This notice serves to advice that government has proclaimed that “School learners who are in boarding schools will not be permitted to travel back home. Equally, no parents will travel to concerned school for purposes of visits”. The University has taken a cue from the government proclamation and wish to state that all students in halls of residence will not be permitted to travel back home and that no visitors will be allowed in the halls of residence during the duration of the Easter Holidays.

Thank you

MR J MAKUNDE

UNIVERSITY REGISTRAR
