## **NOTICE TO ALL STUDENTS AND STAFF ON THE RE-OPENING OF THE UNIVERSITY FOR THE FINAL YEAR STUDENTS**

This notice serves to inform both students and staff that the approved date to re-open the University for the final years has been further changed from 8 June 2020 to 15 June 2020 tentatively for the Faculties of Agricultural Sciences and Humanities and Social Sciences. The change has been prompted by the fact that 8 June 2020 would be the date the Returnees would be expected to vacate the University Female Hostel. Thus, week beginning 8 June 2020 would allow the University to fumigate the premises as well as put other logics in place in order to create a safe learning environment for the students.

The Faculty of Commerce reopening shall remain 8 June 2020. All logistical arrangements are being put in place. All students are required to bring with them two masks.

Thank you.

**Mr. J Makunde**  
**UNIVERSITY REGISTRAR**
