

BACHELOR OF EDUCATION DEGREE IN AGRICULTURE

Part 1: Semester 1

Modules:

EDCT 1101 Information Communication Technology in Education and Information Literacy
EDCA 1102 Communication Skills
EDAG 1102 Agricultural Biostatistics I
EDAG 1103 Introduction to Crop Science
EDAG 1104 Introduction to Forestry and Wildlife
EDAG 1105 Introduction to Animal science

Part 1: Semester 2

Modules:

EDEF 1201 Educational Foundations
EDAG 1201 Introduction to Soil Science
EDAG 1202 Agricultural Biostatistics II
EDAG 1203 Land Use Planning
EDAG 1204 Introduction to Genetics and Biotechnology
EDAG 1205 Irrigation and Drainage

Part 2: Semester 1

Modules:

EDEF 2101 Research Methods in Education
EDEF 2102 Contemporary Issues in Education
EDAG 2103 Soil Fertility and Plant Nutrition
EDAG 2104 Veld and Pasture Management
EDAG 2105 Horticulture
EDAG 2106 Animal Nutrition

Part 2: Semester 2

Modules:

EDAG 2201 Soil and Water Conservation
EDCA 2201 Assessment and Evaluation Techniques
EDAG 2202 Applied Plant and Animal Breeding
EDAG2203 Crop Production I

EDAG 2204 Animal Production I
EDCA 2202 Curriculum Issues

Part 3: Semester 1

Modules:

EDCA 3101 Educational Management
EDAG 3102 Resource Management
EDAG 3103 General Aspects of Animal Health
EDAG 3104 Animal Production II
EDAG 3105 Crop Production II
EDAG 3106 Agri - Business Management

Part 3: Semester 2

Modules:

ASAS 4201 Animal Products and Processing
ASAS 4213 Beef Production
ASAS 4214 Dairy Production
ASAS 4215 Small Ruminant Production
ASPR 4216 Research Project
