Building Communities through Knowledge

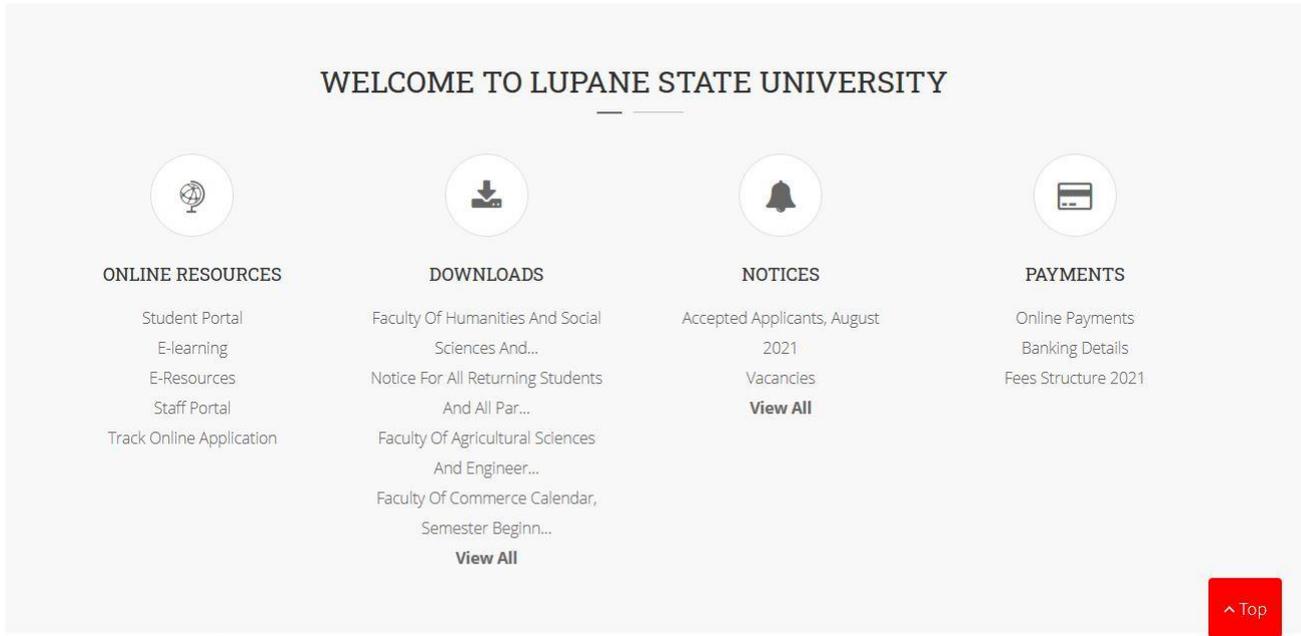

WEB RESOURCES MANUAL FOR STUDENTS

HOW TO GET STARTED WITH OUR WEB RESOURCES

Website

The link to our website is www.lsu.ac.zw for you to access it open any browser of your choice and type that link on the URL tab. It will then take you to the homepage

On the homepage you will see different sections but mostly important take note of the following sections, the **Online Resources Section**, **Downloads section**, **Notices section**, **Payment section** and **News and Notices**

Online Resources

This section has all our online resources namely student portal, e-learning, e-resources

Download section

In this section that's where you will find all notices like your exam timetables or any other documents that you need to know in pdf format, make sure when ever you visit the website you check what's has been uploaded

Notices

This section shows announcements or any events that might be taking place in picture format. Make sure that you also visit that section to see what's happening

Payment

You can pay your fees online using the paynow platform, for now the paynow platform allows payment using ecocash and onemoney

Make sure on the section where you are required to put your student id number you put the correct one otherwise you will pay for someone.

LSU PAYNOW PLATFORM

You can now make fees payments worth more than \$5000 with EcoCash!

Elearning Portal

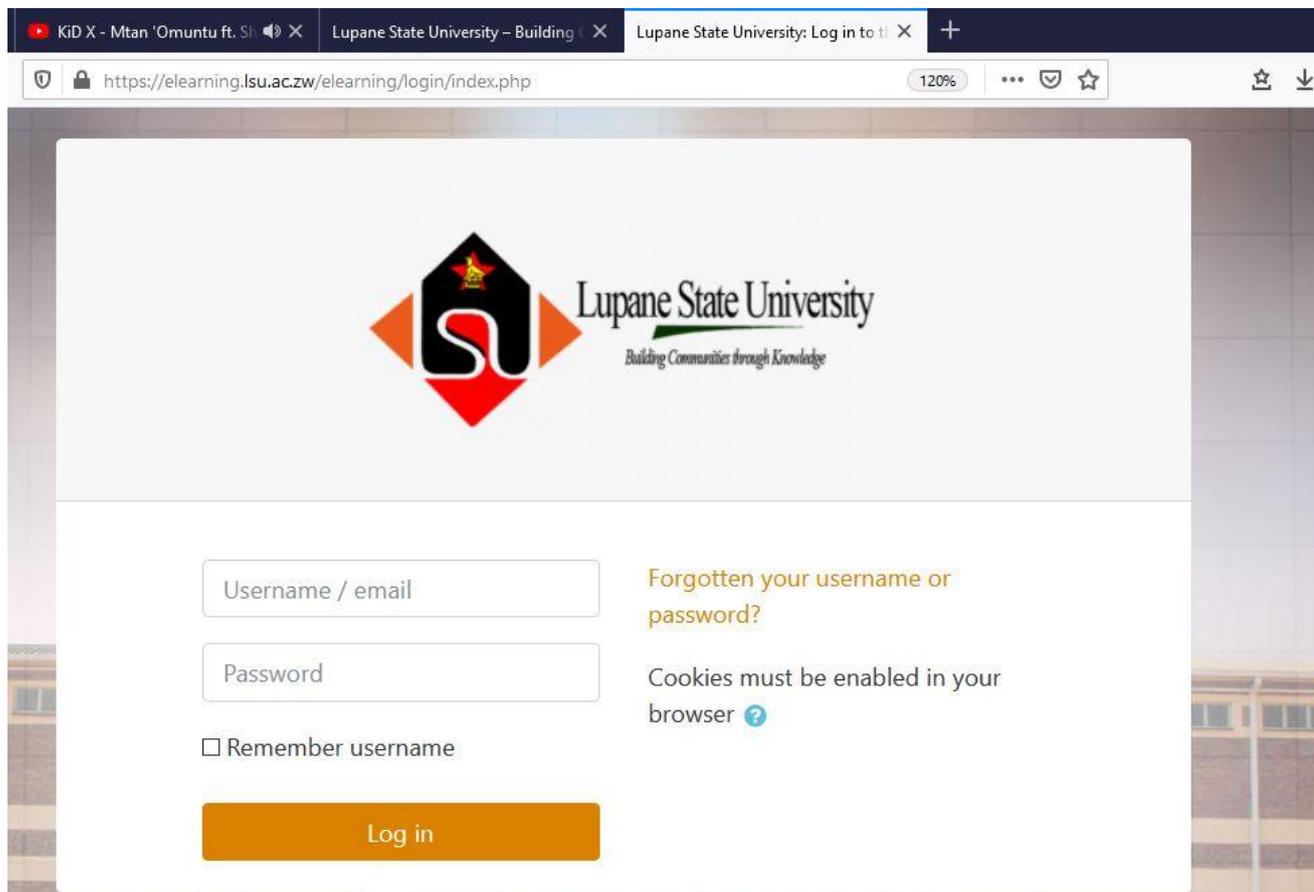

Elearning Portal is a platform where you do your virtual learning (online learning). That's where you will be doing your online quizzes, tests, submitting of assignments, having synchronous video lectures and also that's where you will be getting your resources for your courses (notes, course outlines). Our elearning platform is called MOODLE

How to Access it

To access the elearning portal you visit the LSU website on this link www.lsu.ac.zw, then scroll down to a section written **ONLINE RESOURCES**, then click a button written Elearning, it will then return take you to the login page or alternatively go to this link elearning.lsu.ac.zw/elearning/ it will also take you to the login page.

How to login

To login your **student id** number in small caps is your **username** and if it's your first time your **student id** number by default is your password. In case you face challenges in trying to login there are contact numbers that you can send message to on whatsapp for assistance

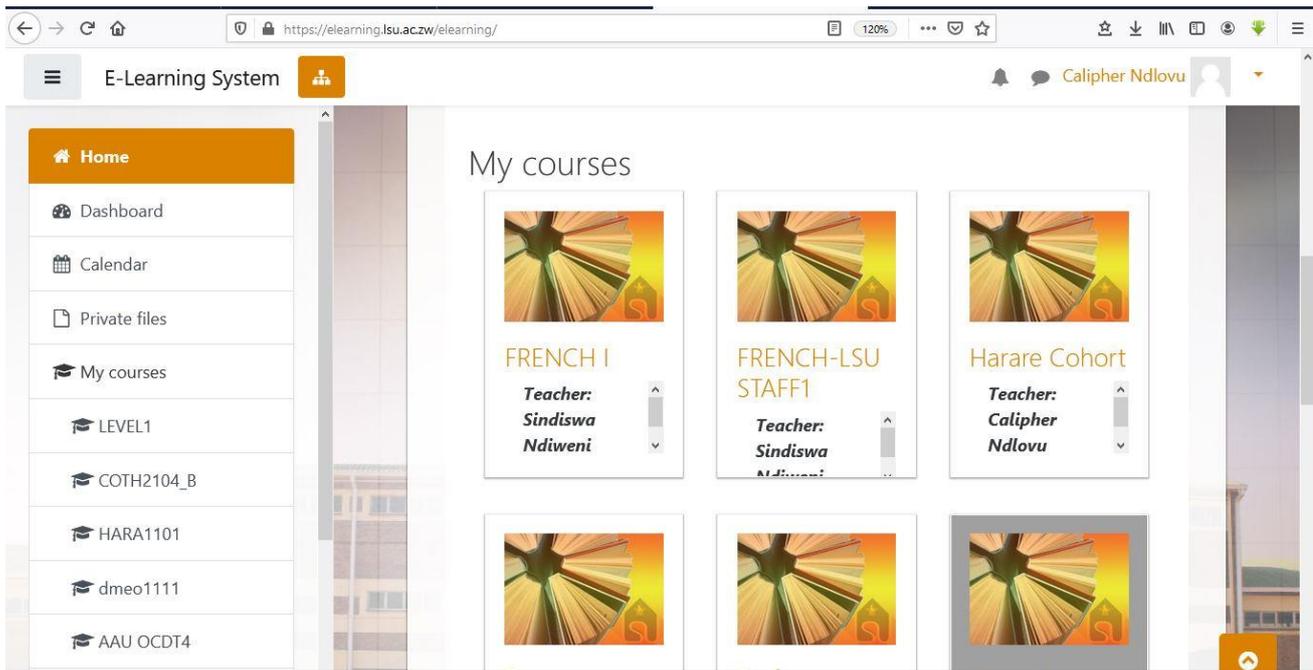

The screenshot shows a web browser window with the URL <https://elearning.lsu.ac.zw/elearning/login/index.php>. The page displays the Lupane State University logo and name, along with the tagline "Building Communities through Knowledge". The login form includes the following elements:

- Username / email input field
- Password input field
- Remember username checkbox
- Log in button
- Link: [Forgotten your username or password?](#)
- Message: Cookies must be enabled in your browser [?](#)

How to navigate in it

When you have successfully logged in at the top right you should see your correct name and surname. On your **home** the list of courses that you would have enrolled to will be appearing. Your lecturer is the one who is supposed to enrol you in the respective course.

Self Enrolment: Your lecturer can create a self enrolment key that you can use to self enrol to the course

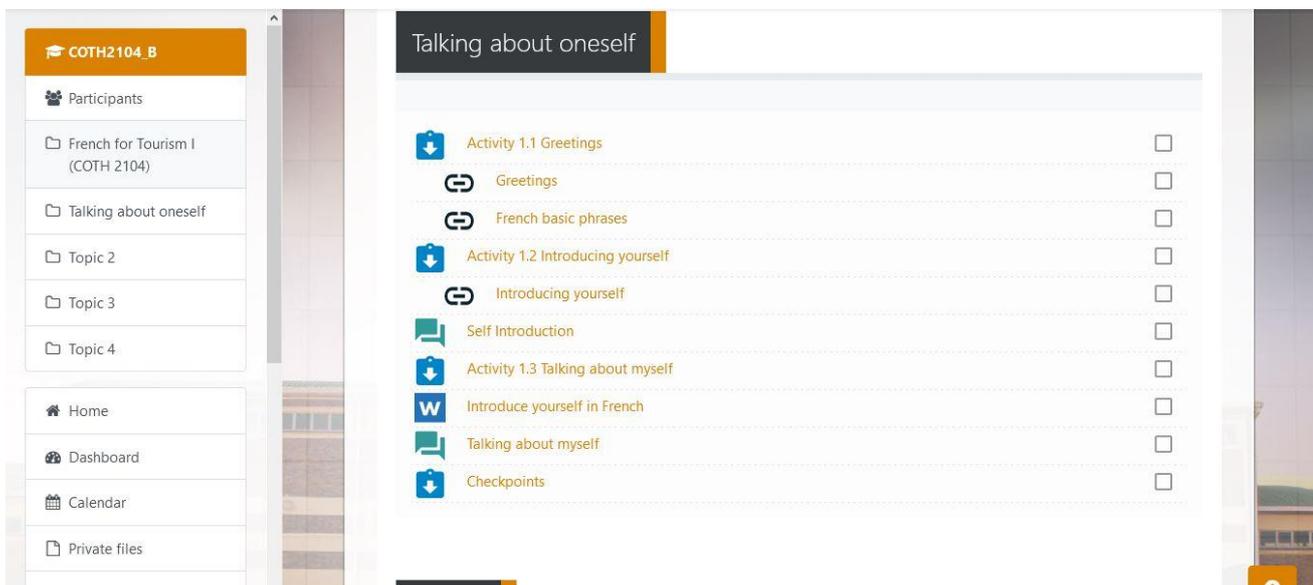

Steps when using self enrolment key

Search for the course on your dashboard on the search function using the course code

When the course appears scroll down to a section where it requires you to put the correct self enrolment key, then click self enrol, then you will be enrolled to the course.

How to submit an assignment, write a test or a quiz

Go to your dashboard, click on the particular course you will see a list of topics layered out so you then choose the activity your lecturer would have set up for you

Mobile App

Our elearning platform has also got a mobile application and a desktop application which you can use when you are offline like accessing a certain course or resource.

Download the mobile app on Playstore

Download moodle for desktop on this link <https://download.moodle.org/desktop/>

Student Portal

The student portal is the platform which has all your details, where you can view your exam results, view course work marks (assessment), where you can do your registration of the modules you will be doing in that particular semester, make fees payment, view payment history and download your interim transcript.

How to Access it

To access the student portal you visit the LSU website on this link www.lsu.ac.zw, then scroll down to a section written **ONLINE RESOURCES**, then click a button written Portal, it will then return take you to the login page or alternatively go to this link portal.lsu.ac.zw/portal/ it will also take you to the login page.

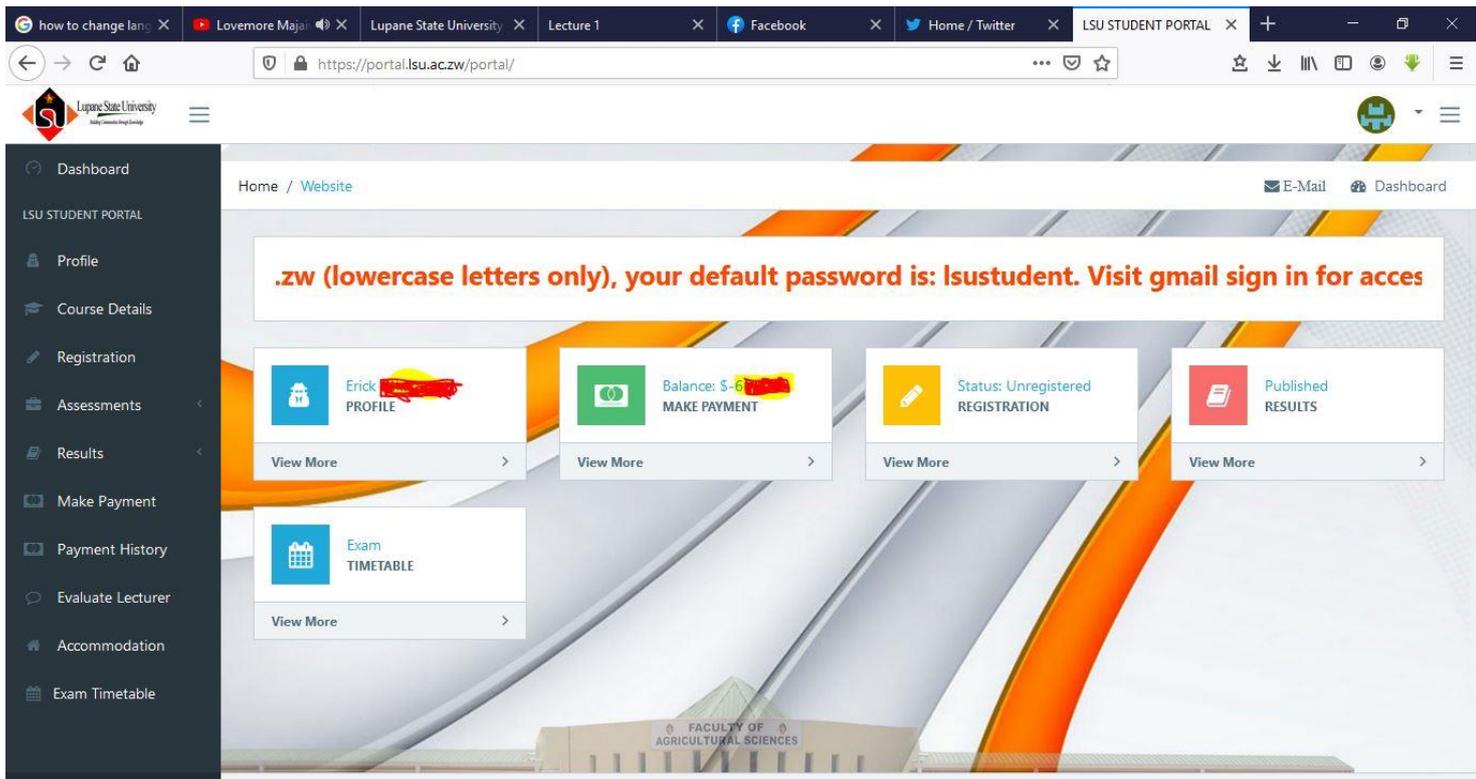

How to login

To login your **student id** number is your **username** and if its your first time your national id number by default is your password in this format **45-123456H21**. In case you face challenges in trying to login there are contact numbers that you can send message to on whatsapp for assistance

The screenshot shows a web browser window with the URL <https://portal.lsu.ac.zw/portal/login>. The page has a white login form on the left and a yellow sidebar on the right. The form is titled "Login" and includes the text "Sign In to your account". It has two input fields: one for the username (with the example "e.g. L0170000A") and one for the password (with the example "e.g. 08-123456D73"). Below the fields are a yellow "Login" button and a blue "Forgot password?" link. The sidebar is yellow and contains the text "LSU Students Portal" and "Please login to start your session" with a white graduation cap icon. The background of the page features a stylized building with the text "FACULTY OF AGRICULTURAL SCIENCES" and a large orange and yellow graphic element.

How to navigate in it

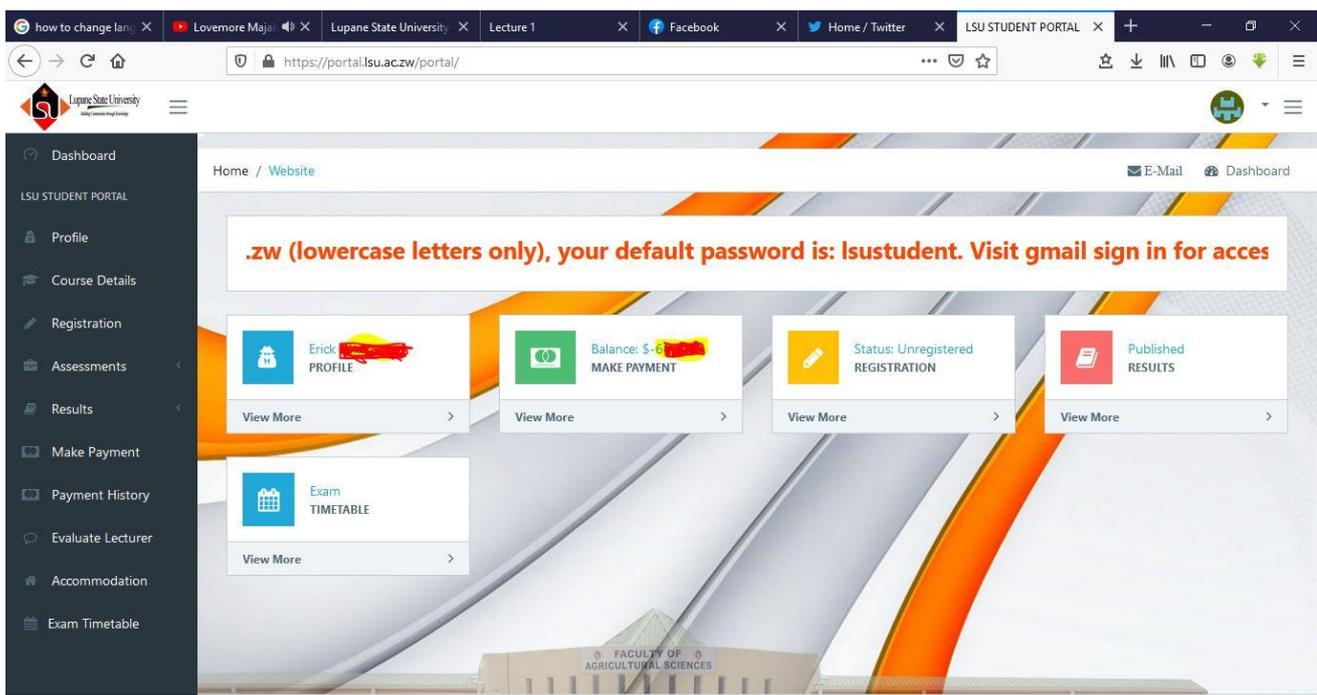

When you have successfully logged in at the top right you should see your correct name and surname. On your left there is a tab having the links of your dashboard course details, registration, assessment, results, make payment payment history, evaluate lecturer, accommodation and timetable

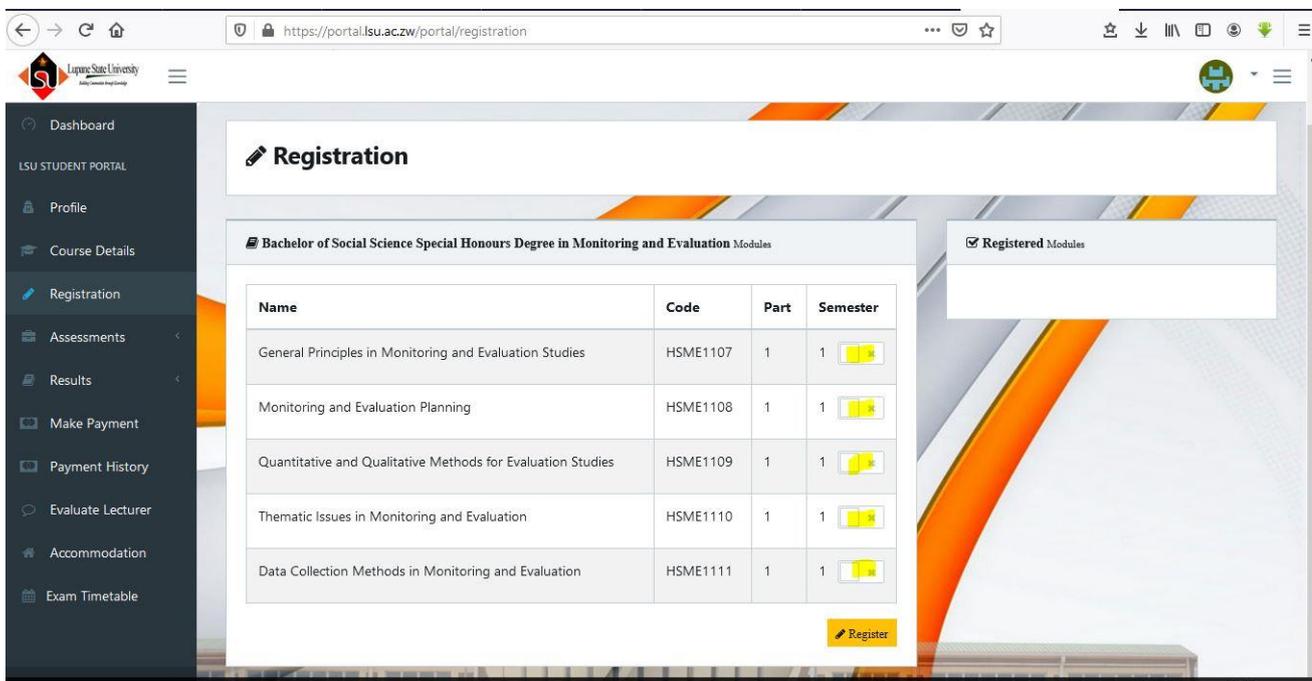

Registration

For you to be called an LSU student you should have registered for that particular semester, and for you to register there is a minimum fee that you need to first pay, otherwise you won't succeed to register

When you have paid the minimum amount for you to register, click on the registration tab, it will then output the list of courses you will be doing then tick them one by one then click register.

Under Registration click view more

After you have clicked **View more** under registration you will be taken to page like the one appearing above, then click on the boxes highlighted, after that click **Register**

Assessment

These are marks from your in class test quizzes and assignment, you just view them and can't edit, if you not content with the marks posted contact your lecturer.

Results

That's were you see the results of your exams for each and every semester, if you not satisfied with them contact your department

Transcript

You can download your transcript and if you have any queries contact your department.

Fees Payment

You can pay your fees online using the Paynow platform, for now the Paynow platform allows payment using Ecocash and Onemoney. See clear details above.

Make sure on the section where you are required to put your student id number you put the correct one otherwise you will pay for someone.

Student Email

All LSU students have an institutional email address in this format [studentidnumber]@lsu.ac.zw
L0192304S@lsu.ac.zw

How to access

You access it via gmail and if its your first time to access it your national id number is the default password
