### NOTICE TO STUDENTS

#### RESUMPTION OF APPLICATIONS FOR THE STUDENT WORK-STUDY PROGRAMME

The Division of Student Affairs wishes to inform the University community that applications for the **Student Work-Study Programme** have resumed.

The programme provides eligible students with an opportunity to undertake approved work assignments within the University in order to receive fees support.

Interested and eligible students are encouraged to submit their applications through the prescribed channels and within the stipulated application period.

Further information regarding **eligibility requirements, available opportunities, application procedures, and deadlines** will be communicated by the Division of Student Affairs.

Students are encouraged to take advantage of this opportunity and ensure that their applications are submitted in accordance with the requirements.
